

Please do not do away with this law! It is so inconvenient to be bothered by calls that we DO NOT WANT! I have a big family to take care of and I don't have time to run to the phone only to find out it is a call I don't want and will not answer anyway! I love not being bothered with those awful calls! It is not only disruptive it is time consuming, time I can spend better somewhere else! Please do not remove this law. I do not want to be bothered with those worthless calls ever! Keep the law!
